The Honorable Ann McLaughlin  
The Secretary of Labor  
Washington, D.C. 20210

Dear Madam Secretary:

Your letter of 20 June 1988 to the Director of Central Intelligence concerning attendance at the Forty-third Annual Federal Safety and Health Conference has been referred to me for response.

Representatives of the Central Intelligence Agency have attended these conferences in the past and found them to be extremely beneficial. We plan to continue this representation and have scheduled two employees from the Safety Division and two from the Office of Logistics to attend the Forty-third Conference.

Please be assured of our continued support of the Federal Safety Council and the annual conferences.

Sincerely,

Gary E. Foster  
Director of Medical Services
